Thanks to our valuable visitors from Asia and worldwide, we had a success show in FHA 2014. Many visitors were interested in our newly launched line: Flame-mate Rotating Duck Roasting Ovens and the Thermo-Pro Decorative Heat Lamp. Also the lately developed cooking concept: Environmental Built-In Cooking Modules. We were proud to present our innovative products, and will continue to serve the best quality of products in the future.

# YPT International Ltd. Exhibition Details

May 17<sup>th</sup> – 20<sup>th</sup>, 2014

NRA 2014

McCormick Place

2301 S.Lake Shore Drive Chicago, Illinois 60616

<http://restaurant.org/show/>

## Highlights:

A photograph of the YPT International Ltd. booth at the NRA 2014 exhibition. The booth features a large purple backdrop with the YPT logo and text. Several stainless steel kitchen units, including a large stock pot and a wok range, are displayed on a blue carpeted floor.	A photograph showing a client in a dark suit interacting with a YPT wok range. The wok range is a stainless steel unit with multiple burners and a wok. The YPT logo and text are visible on the backdrop behind the equipment.	A photograph of a YPT steam cabinet and a smaller steamer unit. The steam cabinet is a tall, stainless steel unit with multiple compartments. The smaller steamer is a compact, stainless steel unit. The YPT logo and text are visible on the backdrop behind the equipment.
<p><b>Booth for NRA 2014</b></p>	<p><b>Client interests on our latest technology for Wok range, Quiet in operation and energy saving</b></p>	<p><b>Powerful steamer and steam cabinet, core for Chinese Kitchen</b></p>
